

Wildlife Trust Community Visits for Youth Groups 2018

The Wildlife Trust BCN, as a charity, relies entirely on financial contributions from external parties. In order to support our work, a fee is requested for the services we provide to schools, youth groups and other people attending events and activities. This enables us to provide a high quality and sustainable programme of activities to engage schools and local communities in exploring and discovering wildlife and in taking positive action to protect the natural environment.
